

MODEL POLICE SERGEANT DIES FROM GANG ATTACK

John H. Kelly, Twenty-Seven Years
on Force and Never Up on
Charges.

Twenty-seven years a member of the Police Department and never up on charges. This was the splendid record of Sgt. John H. Kelly, attached to the Greenpoint Avenue precinct, Williamsburg, who died early today at his home, No. 947 Lorimer Street, from injuries he received at the hands of a band of Williamsburg gangsters.

Early Aug. 28, Sgt. Kelly was passing Oakland and Huron Streets when half a dozen members of the band rushed upon him from a dark alley and beat him into insensibility. Citizens found him on the sidewalk at daylight, his ribs caved in, his face a mass of cuts and bruises, his uniform in tatters.

Kelly was unable to identify any of the men arrested. He was fifty-four years old and was appointed to the force on April 11, 1889. He leaves a wife and three daughters.

Brig. Gen. John M. E. Hyde Dies.
BROOKLINE, Mass., Oct. 26.—Brig. Gen. John McEwen Hyde, U. S. A., retired, died in his home here yesterday in his seventy-fifth year. His Civil War

career was notable and he was brevetted "for gallant and meritorious services" in several important battles. He was a member of the expedition which surveyed the Northern Pacific Railroad in 1872.

Tell your mother Resinol will heal your skin

"If she will wash those sore, itchy places twice a day with Resinol soap and hot water, and then put on a little Resinol Ointment, I am sure the trouble will soon disappear."

That is good advice. Patches of eruption may not be anything serious at first, but they cause so much discomfort and so often develop into eczema, or other severe ailment, that it pays to use the Resinol treatment right away.

Resinol Ointment and Resinol Soap have been prescribed by physicians for many years, and contain nothing which could possibly injure the tenderest skin. Sold by all druggists. For free sample of each, write to Dept. 4-R, Resinol, Baltimore, Md.
